Technogistics (Pty) Ltd

Integrated Management System Policy

Focused largely on the Information Technology (IT) channel, Technogistics is committed to being a reputable Supplier of broad-based Third-Party Logistics (3PL) services as well as the distribution and resale of niche and after-market Products, with a strong emphasis on bolt-on end-to-end value-added services spanning system configuration pre-delivery, managed deployment post-delivery, end-user computing support, warranty centre programs and the recovery, resale and recycling of retired assets. We are committed to establish, maintain, and continually improve an Integrated Management System (IMS) that conforms to ISO 14001:2015 and ISO 45001:2018 requirements.

To achieve this objective, we commit to: -

- provide working conditions for the prevention of work-related injury and ill health, including the wellbeing of all our stakeholders.
- continual improvement in our performance and ensuring that our workers and workers representatives are consulted and participate in SHE matters.
- Identify, assess, reduce, and eliminate hazards and risks pertaining to our operations.
- Setting risk-based objectives and targets to meet applicable legal and other requirements in preventing incidents, accidents, and ill health.
- Ensure SHE requirements are effectively communicated both internally and externally with our stakeholders.
- Protect the environment, efficient use of natural resources and prevention of pollution.
- Develop our people and provide resources to meet our objectives and targets.

We will communicate the IMS Policy to all personnel working for or on behalf of Technogistics (Pty) Ltd such that they are made aware of their individual IMS obligations. In addition, we will make the policy available to all interested parties on request.

This policy is reviewed periodically and is available to interested parties on request.

Danasagran Sadasivan Naidoo
